

# Omkar Pawar

Full Stack Developer

+91 8308481805 omkarop1012@gmail.com [Portfolio](#) [LinkedIn](#) [LeetCode](#) Bangalore

## SUMMARY

Full Stack Developer with 4 years of experience building scalable, high-performance web applications, designing and delivering high-performance backend services. Proficient in React, Node.js, SQL databases, and building both REST and GraphQL APIs. Skilled in database design, performance tuning, and implementing scalable, secure service architectures. Hands-on experience deploying cloud-native solutions on AWS and Azure. Known for writing clean, maintainable code and collaborating effectively in Agile environments to deliver impactful product features.

## SKILLS

**Frontend** - HTML, CSS, JavaScript, React, Tailwind CSS, Bootstrap

**Backend** - Node.js with Express.js

**Databases** - MSSQL Server, PostgreSQL, Sequelize ORM

**Languages** - JavaScript, Python, Java

**Tools & Platforms** - Git, AWS, Azure, SonarQube, Jira, Grafana

## EXPERIENCE

### Backend Developer

[Gammastack](#)

Bangalore

July 2025 - Present

*iGaming / Online Casino Applications*

- Developed and optimized backend APIs using Node.js, Sequelize ORM, and PostgreSQL, ensuring high performance and reliability for large-scale gaming platforms
- Designed and maintained cron jobs and background workers to handle recurring tasks such as transaction processing, reporting, and user notifications
- Built and managed real-time socket connections to support live betting, in-game events, and seamless player interactions
- Implemented third-party integrations to support communication, automation, and player engagement features
- Implemented secure third-party payment gateways to enable seamless deposits and withdrawals across multiple currencies and cryptocurrencies
- Scaled APIs to handle high concurrency and traffic spikes from thousands of simultaneous players, optimizing queries and server performance
- Collaborated with cross-functional teams to design and roll out new game features and player management functionalities
- Implemented strong security practices, high code quality standards, and performance optimizations to support regulatory-compliant gaming platforms

### Full Stack Developer

[Infosys Limited](#)

Bangalore

December 2022 - July 2025

- Trained and assigned to client projects to build production-grade web applications using React and Node.js
- Developed and maintained an internal admin dashboard and a restricted-access public application for P&G (P&G Genuine)
- Built and enhanced features enabling clients to upload product metadata along with product images and product location information

- Developed verification tools used by P&G's investigation teams to review client uploads and classify products as authentic or counterfeit
- Built and maintained frontend interfaces using React, ensuring smooth user experience and high performance
- Managed backend services using Node.js and integrated SQL Server databases for secure, reliable data operations
- Utilized UI frameworks and libraries like Bootstrap and Tailwind to improve design consistency and user interaction

### **Developer Intern**

[Wipro Limited](#)

Remote

March 2022 - May 2022

- Gained practical, hands-on experience in HTML, CSS, JavaScript, and Node.js
- Delivered a capstone project with distinction, earning a Top Performer certificate

### **Freelancer**

[Outlier by Scale AI](#)

Remote

January 2022 - December 2022

- Delivered full-stack development tasks spanning responsive frontend interfaces and reliable backend API implementations
- Contributed to LLM training by reviewing, debugging, and refactoring AI-generated code to ensure accuracy, quality, and adherence to best practices
- Participated in weekly and monthly engineering challenges, delivering high-quality, time-sensitive technical solutions

## **EDUCATION**

### **Bachelor of Technology**

SVERI's College of Engineering

Pandharpur

July 2018 - August 2022

### **Higher Secondary Education**

Sadashivrao Mane Vidyalaya

Akluj

June 2016 - May 2018

### **Secondary Education**

Sadashivrao Mane Vidyalaya

Akluj

June 2015 - May 2016

## **CERTIFICATION**

### **Infosys Certified React Professional**

[Infosys Limited](#)

### **Infosys Certified Node Associate**

[Infosys Limited](#)

### **Infosys Certified GenAI Professional**
